Qualified Independent Shetland Tour Guide

- Sarah at Skaw Beach, Unst - Britain's most northerly beach -

Come and explore the uniqueness of the North Isles, on a tour that you'll never forget. You'll see breathtaking scenery, fascinating archaeology, a diversity of crafts, and wildlife galore.

As my knowledge of Shetland covers its history, geology, archaeology, wool in all its forms, plants, sea-life, fish/fishing/fish farming, Shetland life, politics, and the environment, I think you will find that you have a day to remember - with photographs to match.

I'm looking forward to meeting you; do come and join me.
